

BUZZARDS/VULTURES NHL LOSER POOL

The Buzzards/Vultures NHL Loser Pool is ready to go!
Losing always pays off in the NHL LOSER POOL!

It's the easiest hockey pool around...
It only happens on Saturday & all you have to do is pick one loser!

RULES & INFORMATION:

- Before Saturday, you must select one team to **LOSE** on Saturday.
- **No Repeats:** (You can never pick the same team twice)

HOW IT WORKS:

LOSE You are safe
 LOSE in OT You are safe
 WIN YOU ARE OUT.
 SHOOTOUT W/L: YOU ARE OUT.

(Shootouts are considered ties. Both teams are out.)

- Each entry gets one pick per Saturday.
(Yes, you can enter more than once!)
- The pool will continue until there is one entry left. Once the pool is down to two entries those two will be notified and given the option to split the pot.
